## SUMMARY

Strategic and results-driven finance professional with a Master of Business Administration and extensive experience advising senior management on critical decision-making. Proven track record in overseeing corporate finance operations, financial reporting, and driving exceptional revenue recovery. Currently managing revenue operations within the aviation sector, possessing a strong history of leading financial strategies for a Philippine's based organization. Seeking an opportunity to leverage my expertise to drive excellence and operational growth.

## EXPERIENCE

**02/2025 - Present**

Male', Maldives

### Revenue Accountant

**Trans Maldivian Airways Pvt Ltd**

- Manage end-to-end Accounts Receivable and credit control for luxury resort clients, ensuring timely collections and revenue assurance.
- Implement collection strategies to optimize cash flow, reduce overdue balances, and mitigate credit risks.
- Coordinate with Resort Finance, Commercial, Flight Operations, Reservations, and Sales teams to resolve billing discrepancies and ensure accurate invoicing.
- Develop advanced Excel reports and dashboards to analyze revenue, monitor KPIs, forecast cash flow, and support decision-making.
- Prepare monthly management reports, financial analyses, and performance insights for senior management.
- Perform Accounts Receivable, General Ledger, and bank reconciliations to ensure financial accuracy and data integrity.
- Prepare and submit monthly TGST and GST returns in compliance with MIRA regulations.
- Reconcile high-volume passenger, charter, cargo, and ancillary revenue transactions, investigating and resolving discrepancies.
- Support month-end and year-end closing, audit schedules, and internal and external audit requirements.
- Utilize Microsoft Dynamics ERP, Power BI, and automation tools to streamline accounting processes and enhance reporting efficiency.
- Strengthen internal controls and implement process improvements to enhance revenue assurance and working capital management.

**02/2019 - 01/2025**

Cabanatuan City, Philippines

### Head of Finance

**LOLC Finance Philippines Inc**

- Lead Finance Operations and Corporate Finance departments, managing a team of 9 professionals and ensuring effective financial management, operational efficiency, and alignment with strategic business objectives.
